

12TH INTERNATIONAL CONFERENCE ON THE ANALYSIS OF GEOLOGICAL AND ENVIRONMENTAL MATERIALS

September 15th-19th, 2024
Wuhan, China

About Geoanalysis

Geoanalysis 2024

15th – 19th September 2024 Wuhan

Abstract Submission: deadline 1st May 2024

Early-Bird Registration: deadline 1st July 2024

The China University of Geosciences invites you to the 12th international conference on the analysis of geological and environmental materials to be held in Wuhan, China. Scientific sessions will take place in the International Conference Center located in the East Lake Hotel. Science workshops will be given by experts in the field and will take place the International Conference Center. The programme includes various excursions and field trips during and after the conference.

Topics

- Reference material preparation and application (interlaboratory comparisons, round robin tests and proficiency tests are welcome here)
- Instrument developments and field analysis
- Sample preparation and bulk analysis
- Microanalysis, mapping and imaging (the use of artificial intelligence (AI) for imaging and spectral data interpretation is welcome here)

Characterizing planet, earth and environmental materials

Hoster

International Association
of Geoanalysts

Organizer

China University
of Geosciences

Dates & Deadlines

2024 15 th January	<i>Abstract submission, Grant, Registration Open</i>
2024 1 st May	<i>Abstract deadline</i>
2024 20 th May	<i>Acceptance letter sent</i>
2024 1 st June	<i>"Student Grants" Application deadline</i>
2024 1 st July	<i>Early Registration closes</i>
2024 31 st August	<i>Online registration closes</i>
2024 15 th to 19 th September	<i>Geoanalysis 2024</i>
